A NEW LOOK, SAME MISSION

By The Interstate 35 Booster Club Board

We're excited to launch the new I-35 Booster Club logo and website!

We've been hard at work behind the scenes to make our content easy-to-find and easy-to-read. The new website features links to our volunteer sign-ups, an electronic grant request form and information about the new programs we've launched this month as part of our Foundation for the Future initiative.

With these changes, we want it be easier to volunteer, donate and keep up-to-date on Booster Club news. We hope you'll take a visit at www.I35roadrunnerboosters.org.

FOUNDATION FOR THE FUTURE INITIATIVE

I-35 is building for the future. The school board recently approved a plan for new facilities in several phases. In partnership with the activities department, we are also working towards a strong financial future with our new programs - The Roadrunner Club and new corporate sports sponsorships. This increased, diversified funding will allow us to grant large dollar grant requests we can't currently fully fund.

Jointly, these are part of an initiative called Foundation for the Future. Together we make an impact in our community.

WHAT HAVE WE BEEN UP TO LATELY?

- Purchased state wrestling T-shirts for all State Qualifiers. Congrats to everyone!
- Sponsored the preschool Nacho party
- Sponsored the Intense Camp & the Celebration Breakfast. **Check out Intense Camp photos!**
- Sponsored Football & Volleyball banquets
- Partially funded new Football uniforms
- Partially funded Baseball uniforms for both the High School and Middle School teams
- Purchased fielding machine for Baseball

THANK YOU! We want to say a sincere thank you to all of the concession stand volunteers who helped out during the Winter sports season!! You are crucial to making the above happen for our community.

A Message from the Activities Director

This is an exciting time for our community. We're planning new facilities. We're launching The Roadrunner Club and new corporate sports marketing. Our students are active in a variety of activities and sports. They are also seeing impressive academic gains. It truly is a great time to be a Roadrunner! As Intense Camp 2023 draws to a close, I'd like to highlight a key message from the speakers who came to inspire our students - what we have here at I-35 is special.

The speakers talked about how they are impressed by the way we support each other and work together to achieve success. They encouraged our students to lead, to recognize and appreciate the efforts that make their passions a reality. And with your help - I aim for us to build on what we have and carry it forward into future successes for our teams and community. Beep! Beep!
