LIVE STREAM

I-35 athletics are part of the NFHS live streaming Network.

This nationwide network offers live streaming for all member school events at all levels included with its membership fee.

SUPPORT I-35 ATHLETICS! NFHS REVENUE SHARES PORTIONS OF THE MEMBERSHIP FEES WITH THE SCHOOL. SIMPLY SELECT I-35 AS YOUR SCHOOL AT CHECKOUT.

You can watch events from ANY member school around the entire country. Several of our WCA schools are also NFHS members which means you can watch home and away events or catch replays of past events on the schools NFHS page.

It also perfect for non-local family members or friends who would like to watch the Roadrunners play!

The Roadrunner Club launched in 2023 as a way to generate sustainable, stable dollars for the Booster Club which donates to Interstate 35 School Community. Membership fees fund programs like this one to recognize student athletes, student leadership camps, sports uniforms, training equipment and more! With this additional on-going funding, the Booster Club aims to streamline donations from the community and consider new types of requests from student organizations and staff.

SPONSORS

As always, we'd like to say thank you to our sponsors! The companies featured throughout this program donated to the I-35 Booster Club for the 2023-2024 school year at the highest level - the All Sports package.

Without their assistance, the Booster Club wouldn't be able to support our student athletes with new uniforms, equipment funding, grants for coach requests and more. The Booster Club is proud to champion Roadrunners of all ages. Learn more about the Booster Club and how you can be involved at: www.i35roadrunnerboosters.org.
