KICKING OFF THE 2023-24 SCHOOL YEAR

The I35 Booster Club is excited to kick off the 2023-24 school year with a brand-new event we're hosting in partnership with the Athletic Department - **All Sports Night!** This is a night to celebrate our student athletes and share our roadrunner pride! Please come out and support our student athletes. We will be recognizing all current athletes for all sports, year-round, during the program. Plus - there is a silent auction for I-35 memorabilia that is no longer used or that is now displayed on other materials or banners.

Congratulations to the I35 baseball team on a fantastic season! Thanks to the many Roadrunner fans who came out to watch the team play at Principal Park and get a big win over Central Decatur.

A Message from the Activities Director

We're gearing up for the new school year! There are few important reminders I want to share for the 2023-24 school year regarding athletics:

1. Admission prices are increasing. You can read about the new prices [here](#). And why we charge a gate admission at all [here](#). I highly recommend getting a family (or individual) annual pass which will be the most cost-effective way to attend all athletic events for the year.
2. Your support matters. Attending athletic events at school is a great way to have some family fun in our community.

Younger students can see their friends. Teens can socialize in a safe environment. Adults can connect with other community members. All while supporting our student athletes and coaches by cheering them on, generating money for the programs through the gate, and funds for the Booster Club through concessions stand sales.

3. We've been moved to 2A for football by the state, per the new guidelines for districting. Please check out the [online schedule](#) to see our opponents for the upcoming football season! **Go Roadrunners!**
