INTERSTATE 35 CHOIR CELEBRATES A YEAR OF GROWTH AND ACHIEVEMENTS

The Interstate 35 Choir has enjoyed a year of significant growth and new opportunities, marked by memorable performances and prestigious recognitions.

This year, the choir performed two in-school concerts for elementary students and two evening concerts for the community.

Interstate 35 also hosted the conference honor choir, featuring up to three students per voice part from each school in their conference. Fifteen Interstate 35 students participated, working with guest directors and accompanists to prepare for an evening concert. Mrs. Coleman coordinated with the Madrid Schools' Choir Director to make the event a success.

A Few 2023-2024 Highlights

- 8th grader, Addison Scrivner, was selected for the Opus Honor Choir, a top honor for middle school choir students in Iowa. Competing against students statewide, Addison earned a spot among the 40 selected per voice part across grades 5 through 9.
- Twelve middle school students represented Interstate 35 at the Iowa Choral Directors' Association South Central Honor Choir in Indianola, learning from guest conductors and performing in an evening concert.
- In December, the high school choir brought holiday cheer to Norwalk Nursing and Rehab and Holland Farms in Norwalk, performing Christmas carols and sharing cookies and hot chocolate with the residents after their performance at Holland Farms.

Looking ahead, the Interstate 35 Choir is excited to continue growing, with plans to participate in all-state auditions and expand outreach efforts. Students are enthusiastic about new opportunities, including the band/choir solo and ensemble festival and the band/choir large group festival. Congratulations to all students on a great year!
